Subject: FYI: NTP Report on Carcinogens will be released at 11 AM today.
Attachments: Press Release Final.pdf

Hi all,

Just FYI. NTP's 14th Report on Carcinogens will be released today at 11. I've attached a copy of NTP's news release. Notably, the ROC identifies trichloroethylene as "known to be a human carcinogen" and cobalt and cobalt compounds as "reasonably anticipated to be a human carcinogen."

Louis D'Amico, Ph.D.

Acting Communications Director
